Jamboree On The Air (JOTA) Saturday 21st October 2017 District Scout HQ, Magpie Crescent, Poplars.

7th September 2017

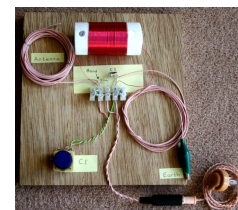

Dear Scouts,

Are you interested in making radio contact with Scouts from around the UK, and the world for that matter? Maybe you would like to build you own a crystal radio (a basic radio that requires no batteries)? If the answer is yes, then this event is for you. The Scout activities are as follows:

Saturday 21st October

10:00 to 12:00pm Build a crystal radio. A simple electronics project, all parts supplied (£13 per Scout).

1:00 to 3:30pm Scout Communicator Activity Badge Course. Badges will be presented on the day or at your Troop night if you complete the requirements (£4 per Scout).

Please note that JOTA activities are not being run for Beavers and Cubs this year.

The building a `crystal radio' session will cost £13.00 per Scout, this covers the cost of all components and you will be able to take the completed project home. **This must be booked and payment received by Neil or the Scout shop at Poplars by Monday 9th October latest, as components need to be ordered.**

The Badge Course session costs £4. Book in advance to avoid disappointment, places are limited for both activities. If you wish to visit on the day, make a radio contact and see what is going on, that's fine, just turn up. **However you will not be able to take part in the crystal radio project unless you have booked by the deadline above.**

Drinks and biscuits will be provided during the day and please wear your Scout uniform. If you are **attending both sessions, then please bring a packed lunch.** To book a place, please **detach and return the completed slip with your money to me by Monday 9th October.** Forms and money can be posted to the address above, returned to the District Scout Shop (Please put in an envelope addressed to `Neil Ravillious'), Poplars (Monday Night 7:30 to 9:00pm) or via your Scout Leader. Any **cheques, should be made payable to `Stevenage District Scout Council'.**

All information is on the District website, however payment needs to be given to the District Scout Shop or your leader.

Yours is Scouting,
Neil Ravillious. ADC (Scouts)
