Mayor's Presentation Evening

Again, a very enjoyable evening was had by all the young members who received their awards, thanks to the Mayor of Stevenage and Stevenage Borough Council.

District Beaver Sleepover

The beavers had a very enjoyable time looking at a whole range of activities based on the human body. On arrival the beavers had a game to make as many misfit pictures as possible. Then after a quick talk the beavers started to complete a whole range of craft activities based on the theme. These included life size pictures, fridge magnets, biscuits, sponge printing, colouring in sheets and making large crates to hold their work

They then stopped to have a hot meal of burgers and chips before then continuing to complete some more of the activities started before the meal.

Around 8:00pm the beavers stopped the craft work ready for the party, in which they had a supper of hot chocolate and a snack. After more dancing the beavers then went to sleep at around 10:30pm.

After the excitement of the day before the beavers were awake early awaiting for the delights of the morning's activities. These included playing Operation, Misfits, Operation head, Monster operation and people jigsaw puzzles.

After a quick evaluation with the beavers, they then found all their craft work from the previous day and sat waiting for their parents to collect them.
